SO ORDERED:

HON. NELSON S. ROMÁN
UNITED STATES DISTRICT JUDGE

Re: Booker v. Griffin, et al., 16 Civ. 72 (NSR) (PED)

Dear Judge Román:

I write respectfully on behalf of both Plaintiff and Defendants to request that the status conference currently scheduled for Tuesday, May 25, 2021, be adjourned to a date following July 6, 2021, when all discovery is scheduled to close. This is our third request for an adjournment in connection with ongoing fact discovery; each prior request has been granted.

On April 30, 2021, the parties conducted a phone conference with Magistrate Judge Davison, at which time Defendants advised the Court of a need to adjourn the discovery schedule again to allow more time for Defendants to produce documents under Plaintiff's outstanding discovery requests. Magistrate Judge Davison granted the parties' request for an adjournment of discovery and subsequently entered the parties' proposed amended scheduling order, which requires all discovery to conclude by July 6, 2021. *See* Docket No. 230.

The parties thank the Court for its kind consideration.

Respectfully submitted,

/s/ Paul J. Kremer
